

This Kidnapping For Good Cause

Some 50 Torrance businessmen are about to be kidnapped—all in the name of charity—by members of the Torrance Junior Women's Club.

The kidnapping is planned for Thursday, Jan. 27, according to Mrs. David Rozas, health chairman for the Women's Club and chairman of the event.

The occasion is the second annual Ransom Luncheon for the benefit of the National March of Dimes. Victims will be taken to the New Horizons Recreation Hall where they will hear a speaker from the March of Dimes.

George Post, past president of the Torrance Chamber of Commerce and Manager of the United California Bank here, is assisting with plans for the event, as is Mrs. Clara Connors, local chairman for the March of Dimes drive.

Businessmen will be released following the luncheon program, Mrs. Rozas said.

Torrance Junior Women's Club is affiliated with the Marina District California Federation of Womans' Clubs, Junior Membership.

Earth Viewed as Space Ship in New Sky Show

The solar system and its relationship to the orderly sequence of Earth's seasonal changes is presented in the current Griffith Park Observatory's planetarium theater show, "Our Space Ship, the Earth."

According to Dr. Clarence H. Clemminshaw, director of the Observatory for the Los Angeles City Recreation and Parks Department, during the presentation the earth is seen as a space vehicle on which passengers are carried at a speed of 18½ miles per second.

AS THE spectacular progresses, Dr. Clemminshaw re-

Mrs. McNeil Sees Films Of Journey

Sixty-two students from Chaminade Preparatory School in Canoga Park last week joined three faculty members to relive a 325-mile summer hike which was sponsored by the school.

Brother John A. McNeil, son of Mrs. Bertha McNeil of Torrance, led the 65 hikers along the John Muir Trail to Yosemite Valley during the six-week hike. The group covered 55-mile sections of the trail each week.

Slides and movies of the hiking trip were shown to members of the students' families following a pot luck dinner at the Chaminade School Student Center.

Mrs. McNeil and Brother McNeil's uncle, Ivan M. Hedberg of Los Angeles, also attended the event.

veals that the days of the week were named for the sun, moon, and planets. He also tells how the tilt of earth on its axis determines the long summer days as opposed to the shorter days of winter.

"Our Space Ship, the Earth" is offered daily, except Mondays, at 2 and 8:30 p.m., with additional shows on weekends at 1:30 and 4:30 p.m.

ADMISSION to the planetarium theater is 75 cents for adults and 30 cents for students 5 through 18 years of age.

Visitors may also tour the Observatory's Hall of Science, according to Dr. Clemminshaw. The facility is open Tuesday through Friday from 2 to 10 p.m. and Saturdays and Sundays from 1 to 10 p.m. There is no admission charge to the Hall of Science.

POOL APPROVED

Plans for a swimming pool and bathhouse at Carson Park were approved by the Board of Supervisors yesterday. Bids for the project, estimated to cost \$210,000, will be opened Feb. 9.

Army Pfc Gerald E. Wagner, son of Mr. and Mrs. Thurman E. Wagner, 4207 W. 178th St., was assigned Dec. 7 to the 2d Infantry Division in Korea.

Wagner, a supply specialist in Headquarters and Company A of the division's 2d Medical Battalion, entered the Army in Jan. 1965 and completed basic training at Ft. Polk, La.

The 22-year-old soldier attended Mena High School.
